

FIVE PERSONS KILLED IN TRAFFIC MISHAPS

Coalition Gains Ground In Drive To Cut Expenses

By JACK BELL
WASHINGTON, May 7 —(AP)—A coalition drive for a cut in government spending appears headed for a senate showdown early next week.

Senator Ferguson (R) of Michigan said today he expects the fight to start when administration Democrats call for another vote on the move which recently sent a \$2,400,000 labor-federal security money bill back to committee with orders for a five percent cut in operating costs.

Senator Green (D) of Rhode Island has said he will offer a motion to reconsider that action.

"I think we have the votes to beat that move," Sen. Ferguson told a reporter.

Discussing the size of government expenses, Senator Byrd (D) of Virginia said he thinks congress might have to raise \$10,000,000 in new taxes next year if it doesn't practice some economy now.

"I don't know where we could get another \$10,000,000 in taxes," he commented.

"We get only about \$11,000,000 from corporations now and we couldn't put much more on them. Individuals couldn't stand a much heavier burden and certainly excise levies can't be increased."

May Be Deficit
Sen. Byrd estimated in the senate yesterday that on the basis of known facts there may be a \$6,500,000 deficit in the year beginning July 1.

But he said this estimate was based on revenues continuing at the level they now maintain.

"We may not get those revenues and if we don't, then the deficit could go to \$10,000,000," he said.

He added that any such excursion into red ink would make it extremely difficult for this nation to continue economic aid to other nations. And he said it could cut off entirely any military aid to the western European members of the north Atlantic alliance.

Senator Wherry of Nebraska, the Republican floor leader, told the senate yesterday that the Communists are just waiting for this country to go broke.

Observing that Russia hopes "this country will disintegrate economically," Sen. Wherry declared: "We will get neither peace

nor security if the United States becomes a bankrupt nation."
Senator O'Mahoney (D) of Wyoming said he agrees with Sen. Byrd that there ought to be some government economy. But he said the increase in government spending is a result of "conditions which required that expansion."

He complained that economic concentration "has brought about control of our economy in a few large cities," and added that congress "ought to create a climate in which little business can live."

PEACE MOVE ON AT FORD

Dearborn Mayor Takes Step He Hopes May End Strike Soon

DETROIT, May 7—(AP)—A peace move in the strike of 65,000 Ford workers was instituted by Dearborn Mayor Orville L. Hubbard today.

The mayor proposed a meeting of Ford and CIO United Auto Workers officials at his office next Thursday for a "supreme civic effort" to end the walkout.

There was no early reply either from the company or the union which are locked in a fight over the UAW-CIO's charge of a "speed-up" in Ford plants.

Union sound trucks blared out the word of the discharges, and catcalls came from pickets. There was no trouble, however.

One of the penalized men was Mike Donnelly, chairman of the UAW unit in the Rouge plant "B" assembly line building, center of the speed-up dispute.

Prior to Mayor Hubbard's peace meeting proposal, neither the UAW-CIO nor Ford had made any public effort to resume negotiations.

Since noon Thursday Ford's great Rouge plant in suburban Dearborn and its Lincoln-Mercury factory in Detroit have been idle.

A pinch on small Ford supplier plants was beginning to be felt as the strike entered its third day.

A number of shutdowns and impending closings, were announced. Several thousand men would be affected.

Meanwhile, resentment of strikers toward management was observed on the picket lines at Rouge.

This followed Ford's announcement yesterday of the firing of 14 men in connection with wildcat strikes which preceded the union's formal walkout Thursday.

HIT-SKIP DRIVER BUMPS GAS PUMPS
A hit-skip driver ran into two gasoline pumps at a station operated by D. C. Lepski at 1294 E. State st. at 3:43 p.m. Friday.

Lepski said he heard a crash and ran outside to see the car drive away. He said a woman was driving the car. He described the vehicle to police.

The pumps were damaged. Ernest W. Minth of 421 Sharp ave. told police that Frank Corio, 10, of 555 E. State, rode his bicycle into the open door on Minth's car at 12:36 p.m. Friday on E. State st.

Minth was parked and started to get out the left side of the car when the bicycle hit the door. The Corio boy sustained a laceration of the left foot and abrasions of the hand.

REDS HAMMER AT DEFENSES OF SHANGHAI

Success Not Great As Thousands of Red Troops Move Ahead

By FRED HAMPSON
SHANGHAI, May 7—(AP)—Thousands of Chinese Communist troops today hammered with little success at Shanghai's outer defenses, a garrison communique asserted.

The communique said 15,000 Reds in two groups attacked on two sectors 30 miles west and 35 miles northwest of Shanghai. The defenders assertedly hurled the Reds back with heavy losses.

Another attack still swirled about a third anchor in Shanghai's defense arc—Kashang, 50 miles to the southwest. The communique indicated the Reds were making little progress here.

Red spearheads, however, appeared to be thrusting ever deeper into South China along a notched front of more than 300 miles stretching southwestward from the Shanghai area to Nanchang.

Press reports said that Nanchang, the city which guards the eastern approaches to the vital Hankow-Canton railroad, was in a state of siege.

Chinese Communist columns, already more than 180 miles south of their Yangtze bridgeheads, were seizing more stretches of the railway which once linked Shanghai with Nanchang.

(Previous reports had the closest Communists still 52 miles from Nanchang.)

The garrison communique said the main Red force which took Hangchow, 100 miles southwest of Shanghai, appeared to be moving south. These Communists last were reported about 35 miles south of Hangchow.

The Communists last were reported about 35 miles south of Hangchow.

The communique devoted most of its attention to the fighting which it said was edging about Shanghai's outer defenses.

The major attack seemed to be aimed at Kashang, on the railway 50 miles southwest of Shanghai. The communique said 500 Reds were driven back from the air field south of the city.

Area Fruit Crop To Be Bountiful
After a few signs of displeasure, Mom Nature is showering her most bountiful smile on Salem district fruit crops.

Apples, principal fruit crop of the area are having ideal weather for pollination and the apple blossoms are out in full. In a few orchards the popular Nonpareil apple crop did receive slight damage.

Some early-blooming varieties of peaches were hurt by the cold snaps of April, according to local orchardists. The later varieties and all those in the highlands survived the temperature drops.

Sweet cherries probably were killed and the sour cherries are later in blooming and will produce a good crop.

Plum tree blossoms as well as the peach blossoms may now be viewed in area orchards. The pear crop will live about the same yield as usual. The blossoms are now out, late enough to be unaffected by the frosts. The grapes were not far enough advanced to be hurt by the cold spells.

39 Liquor Violations To Result In Hearings
The Ohio Board of Liquor Control today announced it would hold hearings in Warren next Tuesday, Wednesday and Thursday to consider 39 cases of liquor law violations.

Among the permit holders cited were: American Legion Post 523, East Liverpool, a private club, Iwad entertainment.

Jerome E. Thornton, Dick's Tavern, Wellsville, a private club, Iwad possession.

Births Ahead of Deaths For April, Is Report
Births in the city totaled 91 in April while deaths reached 15, according to Mrs. Mary Vandenberg, board of health nurse.

There have been 323 births so far this year while 73 deaths have been recorded in this period.

Three-day measles is the most prevalent children's disease in the city. There are a few cases of chicken pox and whooping cough.

Employment Office Hires Farm Labor Supervisor

The Salem district office of the Ohio State Employment Service has hired Arthur Shields of Columbiana, as of May 1, to assume complete charge of administering farm labor needs in Columbiana county and in Green and Geauga townships in Mahoning county.

Shields has a farm background and is somewhat familiar with farm labor needs, as he was reared on a farm. He was assistant manager of the Firestone Farms, near Columbiana, for three years.

The farms are the biggest user of farm workers in this area. They have a diversified crop program, having had a dairy herd of about 60 head until 1946, when they concentrated on raising beef cattle.

They have for a number of years specialized in raising potatoes and sweet corn and, in the last few years, have started to produce strawberries, string beans and tomatoes.

The farm labor problem was turned back to the Employment Service in January, 1948, after having been the responsibility of the Department of Agriculture for about five years during the war.

Arthur Johnston, manager of the Salem office, said that being permitted to hire a full-time man to specialize in taking care of farm labor needs should go a long way toward solving the problem.

Johnston was emphatic in stating that it is a full-time job and that Shields will not be permitted to do any other work in the office as long as there is any need for farm workers.

Although stationed in the Salem office, Shields also will work through the East Liverpool office and will be responsible for all of the county and Geauga and Green townships. The latter are immediately north of Salem and the local office is considered the logical one to service them.

GERMANS SAY "NO" TO RED PLEA TO STOP

Refuse To Halt Making Of Constitution For Western Germany

By JAMES DEVLIN
BONN, Germany, May 7—(AP)—Western Germany has said "no" to Communist pleas to halt formation of its proposed new state.

Her political leaders, meeting here last night, completed all but the final formalities of adopting a west German constitution.

They scheduled the last step of adoption for tomorrow, the fourth anniversary of Germany's surrender in World War II, and voted to place government in the hands of an interim organization until a regular government can be formed in July.

The constitutional convention clearly was speeding its work to beat the Wednesday midnight deadline for lifting the German blockades under the New York agreement announced Thursday by Russia and the western powers.

Want To Broaden
The western occupation powers want the west German government to be the one for all Germany if there is an eventual union of the Soviet zone with the American, British and French zones.

The development came as Russia and the western allies worked at top speed to lift their blockades at midnight Wednesday.

The task involves complex technical problems, and the complicating threat of a rail workers strike. Employees who live in western Berlin but work on Russian-controlled rail lines in the eastern sector, threatened to strike unless they are paid in west marks. They now receive Soviet-backed east marks, worthless in the western sector.

The "interim organization" to handle governmental details until formation of the new west German government was assailed by Communists. They claimed it virtually created a new government without giving the people a chance to vote on it.

The people will elect 400 delegates to the parliament's lower house or Bundestag. The 11 state legislatures will choose the members of the upper house, or Bundesrat. Each state will have at least three members. Some will have five, depending on population.

ALFRED FITCH HEADS MEMORIAL DAY OBSERVANCE
Att'y Alfred Fitch will serve as officer of the day at the Memorial day services and H. D. Huttenhower will be marshal.

G. E. Votaw of the Sons of Union Veterans, who presided at the Friday evening meeting of all Salem patriotic orders in the G. A. R. hall, was re-elected president, and Huttenhower will act again as secretary of the allied group.

Rev. Harold L. Ogden, pastor of the Presbyterian church, will speak at the Grandview cemetery service which will be in charge of Veterans of Foreign Wars, Amvets, and a Boy Scout delegation and led by the Salem High School band.

The American Legion Quaker City band will head the parade to Hope cemetery and Legion members, Sons of Union Veterans, Relief corps, Daughters of Union Veterans auxiliaries and Scouts will follow.

The speaker for the Hope cemetery observance has not been chosen.

Other district bands are expected to participate and high school students will assist with the program.

Flowers for grave decoration are needed, and the committee will appreciate donations from Salem citizens. Flowers available may be brought to the G. A. R. hall Sunday, May 29.

Two Columbiana Boys Die When Car Hits Bridge

One of the heaviest traffic tolls in recent history was taken Friday night on district highways when five persons were killed and four others injured, one seriously.

Two of the dead are Columbiana boys, both high school students. The other three were persons living temporarily in Youngstown.

The dead: Glenn Richard Metz, 16, of N. Elm st. extension, Columbiana, who died at the scene of an accident of a compound fracture of the leg, punctured stomach, a possible broken jaw and numerous lacerations, abrasions and contusions.

Harry John Biery, 16, of 102 N. Pearl st., Columbiana, who died at 3:50 a. m. today in Salem City hospital of a possible broken neck and fractured leg.

Donald L. Ferrell, 33, of Sheridan road, Youngstown, who died of a compound fracture of the leg, crushed chest, skull and face.

Donna Ferrell, age six, his daughter, skull fracture and fractured neck.

Letta Umbel, age unknown, Sheridan road, Youngstown. The cause of her death is unknown.

The injured: William Spratt, 17, of N. Main st., Columbiana, lacerations of the left elbow and side and abrasions.

Paul Umbel, 21, Sheridan road, Youngstown. Seriously injured.

Jack Bertis, 29, of Cleveland, fractured ribs.

Karl R. Johnsonbaugh, 37, of Duncanville, Pa., second degree burns, lacerations of the head and eyes.

Three died in the collision of a passenger car and a tractor-trailer, hauling new cars, at the intersection of Route 224 and 164 (McKay's Corners) at 10:30 p.m. Friday, the patrol reported.

Both vehicles were badly damaged, the truck having burned after the collision.

Ferrell was the driver of the car. He and his daughter and the Umbels have been living temporarily in Youngstown, coming from Uniontown, Pa.

The tractor-trailer was driven by Johnsonbaugh. Bertis, the patrol said, was a stowaway in one of the new cars being carried on the truck. He and the Umbels were taken to South Side hospital at Youngstown.

The patrol said Ferrell's car was traveling south on Route 164 and the truck was going east on 224. Although the exact details of the accident are unknown, it is assumed that one of the vehicles failed to yield the right-of-way and that the truck hit the car broadside.

Right Wing CIO Union Convening
DAYTON, May 7—(AP)—A self-styled right wing faction of the CIO United Electrical Workers convened here today. It aimed at nominating candidates to oust officers of the international union.

Delegates from seven states and Canada were scheduled to attend the opening session in DeLoe Local 75's union hall. The meeting is to continue through Sunday.

William Snooks, conference secretary, intimated it would be a spirited meeting when he commented, "we are ready for anything."

Snooks added he expected the left wing faction to attempt to break up the meeting.

The primary purpose of the two-day session, Snooks added, is to choose a national right wing slate of officers for the international union.

He reported James B. Carey, secretary-treasurer of the National CIO council, is expected to attend the meeting. Carey was national UE president until 1941 when he was swept out of office in a wave of left wing elections, Snooks said.

Some of the delegates that arrived last night said they understood Carey is seeking to regain the UE presidency.

Snooks said the "rebel" conference was called by Dayton UE locals in an attempt to organize against the so-called left wing forces which now dominate the international union.

Dayton has 20,000 members in UE locals, including the nation's largest which is made up of members at the Frigidaire plant.

## Tapering Off

The end of the Berlin blockade will bring an immediate saving to the United States of at least a million dollars a day. The airlift has been one of the costliest projects in history. Its estimated cost, moreover, cannot include what it has cost in depreciated equipment, or the dislocation of normal trade routine.

The end of civil war in Greece would result in a comparable saving. A general easing of tension in the cold war, which would logically follow such events, would open the way for still further savings—in European aid, in military assistance for European governments and in forthcoming appropriations for United States arms.

But the irony of all this is the gnawing fear that the United States may be embarrassed by a sudden letup of tension. The strategists in the Kremlin have been able to inject American economy with such huge doses of inflation by agitating a war scare that there might be a reaction if they stopped. One school of opinion holds that to be the only reason why they would want to stop; the war scare costs them next to nothing to maintain.

The same school points out that if the United States can't taper off its exaggerated doses of public spending without getting the jitters, that would be a decided advantage to the Kremlin strategists. It claims that as long as they continue to be interested in revolution preceded by chaos, they can be expected to use a letup in the cold war just as readily as they have used the opposite tactic to keep the United States off balance.

Just as it was with prices which were too high, and are coming down at the expense of shattering the illusion of war boom "prosperity," a sudden letdown of war tension might create a whole new problem for Uncle Sam.

## Getting Even With Ford

As stated by strike leaders, the issue that has caused a stoppage of Ford Motor Co. production is the speed of assembly lines. The strike leaders claim it's too fast.

That is, of course, a matter of opinion. The company cannot maintain its competitive position unless it produces efficiently. I. e., unless its employees are willing to meet competitive standards.

If they are unwilling to do that, they will be out of luck. The Ford Co. must sell automobiles to make jobs. It can't compete with other manufacturers—if efficient production causes its prices to be too high or the quality of its product too low—buyers will go on a strike.

In other words, there is no way under the sun for the disgruntled employees of any company in competition with other companies to get even with an employer over an issue of efficiency without jeopardizing their own security.

Moreover, if they try to get even by going on strike they jeopardize the security of other workers. Hundreds of other enterprises and tens of thousands of other workers already are being hit on the nose by the impact of the Ford strike.

It is tragic that in the United States this relationship between efficient production and job security is not dealt with rationally by strike leaders. They are more interested in "getting even" with an employer for some real or imaginary grievance than in the welfare of the workers whose livelihood depends on working at their jobs.

## Going To The People

President Truman's veiled threat to carry the labor-management issue to the people widens the breach he has opened between himself and his party's majority in congress.

This breach promises to become more important than any of the things which have led up to it. Whenever a chief executive threatens to go over the heads of his party's legislators, he implies that they are misrepresenting their constituents—and that's political dynamite.

Franklin D. Roosevelt discovered its explosive potential in his fight with congress over reorganizing the Supreme court. Woodrow Wilson discovered the same thing in his fight over the League of Nations. Senators and representatives believe, with good reason, that they are better informed about their constituents than it is possible for the leader of their party to be informed.

Mr. Truman might take the labor-management issue to the people. He might spend a large part of his tax-free expense allowance and his own energy to do it. But it's unlikely that he would be able to add any converts to his creed that union officials should not be subject to the same equity that controls the excesses of other citizens of the United States. On the contrary, he would be likely to learn that the public is weary of the stand-patism of those who claim to believe that everybody in America is out of step but them.

## The Stars Say

For Sunday, May 8

SUNDAY'S horoscope shows a brilliant day for enjoyment, relaxation, social and romantic diversions or festivities. In connection with such there may be symbols of promotion, dignities and honors, with particular emoluments, and preferences from those in official power.

However, there is a sign of some erratic, precipitate or unorthodox conduct or event in which much celebration, indulgence and enjoyment may be regretfully exaggerated. Keep the brakes on, in the height of gaiety. Shun accident or estrangements. If It Is Your Birthday

Those whose birthday it is are on the eve of an exciting and sensational year, in which sudden change, travel, novel adventure, beckon to new fields whether of enjoyment or accomplishment. While pleasure is shown, with promotion, honors, favors from influential sources, yet over-acting in any line may exact penalties, not only in profits, opportunities, but dangers of physical nature, falls, accidents or personal estrangements.

A child born on this day, will be ambitious, talented and enterprising with much promise, but a tendency to change, experiment, new places and faces may narrow its career.

For Monday, May 9

MONDAY'S forecast is for an exceptional opportunity for advancing upon high goals, with honors, distinction, financial rewards and emoluments, as well as personal prestige and popularity in sight. Expanding interests or place of cherished hopes and wishes should be reached for, with confidence and cultured ability and skill. But beware pitfalls, snares or erratic or glamorous moods. Keep control, as there are menacing hidden factors to tarnish some of the allure. Make new contracts, agreements.

Those whose birthday it is are assured a year of outstanding opportunity for reaching advanced goals of achievement and honors. Recognition from high places is in sight for ambitious and expansive programs or policies, with enhanced popularity and prestige. A propitious time for making fresh affiliations with "the mighty," with much pleasure and gaiety on the way. Snare and pitfalls threaten to take the edge off cherished hopes or attainments.

A child born on this day is richly endowed with talents, abilities, aspirations, with much promise and pleasure in its career. This is minimized by over emotional or illusive lures to the limelight.

Like is said to be the universally favorite scent. Haven't they ever smelled ham and eggs cooking?

According to a London doctor, honey is soothing and healing. The man who has whispered it to the gods will understand that.

Today's drive is known by the sunbeams to begin.

## GUARDING YOUR HEALTH

## Fighting Virus Pneumonia

By HERMAN N. BUNDESEN, M. D.

Ordinary pneumonia — such a threat to life and health a few years ago — has, to a great extent, lost its terror since the advent of penicillin and the sulfonamide drugs.

Unfortunately, during the same period, another type of this disease, known as atypical or virus pneumonia, has been appearing with greater and greater frequency. Unlike this, neither penicillin nor the sulfonamide drugs have proved effective.

## Caused By Germs

Very recently, a trial of a newly-discovered antibiotic, called aureomycin, gives excellent hope that it will do for virus pneumonia what penicillin has accomplished against the kind caused by germs.

Virus pneumonia starts gradually, with cough, slight fever, headache, chilling sensations and, often, a pain under the breastbone. X-ray usually shows some congestion in the lung tissues. The number of white cells in the blood is normal or slightly less than normal. Ordinary pneumonia comes on suddenly with chills, the presence of blood in with sputum and high fever in most cases.

Eighteen patients with virus pneumonia, severe enough to make hospital care necessary, were treated with aureomycin, given by mouth.

## Free From Fever

Patients treated during the first 21 days of their illness, became free from fever within 12 to 72 hours, and 9 patients were free from fever within a day. Improvement in the

other symptoms occurred at the same time as the fever dropped. The cough, however, persisted and improved only gradually. There was weakness of varying degree during the recovery period. This weakness was most noticeable in patients in whom the treatment was not started until later in the disease. Recurrence of the symptoms did not take place in any of the patients after treatment with the aureomycin was stopped.

The drug caused no noticeable reactions. Large doses, however, in some cases may cause sickness at the stomach and loss of appetite. Several of the patients complained of mild drowsiness.

These studies would seem to indi-

cate that aureomycin is of great value in the treatment of virus pneumonia.

## QUESTIONS AND ANSWERS

M. F.: What causes continued belching?

Answer: The trouble may come from such causes as constipation, bowel inflammation, or nervousness.

A thorough and careful study should be made to find the source of the difficulty; then the most effective treatment, for overcoming the trouble can be suggested.

Letters to Dr. Bundesen should be addressed in care of 235 E. 45th St., New York City.

## TIME A PRESCRIPTION

We often hear the request: "Will you rush this prescription for me, please?" And to any such request our answer must always be that we cannot and will not race the clock in prescription compounding. The processes involved require the 14th degree of precision, skill and care, and we will always take the full amount of time which is necessary to assure this essential accuracy. But we will always let you know exactly when your prescription medicine will be ready.

GREENFORD, May 7 — Esther Kidd, daughter of Mr. and Mrs. Raymond Kidd of Canfield-Columbiana rd., who has made honor roll averages during her four years at Greenford High school, will be valedictorian of a class of 15 students at commencement exercises Thursday, May 26, in the school auditorium.

With identical scholastic records, Betty Calvin, daughter of Mr. and Mrs. Ralph Calvin, Canfield-Wash-

ingtonville rd., and Stella Witzner, daughter of Mr. and Mrs. Endo Witzner, Green-Beaver township line rd., will be salutatorians. Martha Gunn, Enid Kentzel, Wanda Howells and Margaret Sigle also are honor roll students.

Others who complete the class roll were active as officers, in school paper and play activities, sports, test, competition work, glee club, band and orchestra.

They are: Glenn Baird, class president; Robert Koller, vice president; Martha Eyrich, librarian; Donna Bosh, John Rutlich, Herman Blosser, Virginia Zimmerman and Margaret Morris served on the "Hi-Lites," school annual staff.

"Hi-Lites" this year is the first leather-bound yearbook of the school and is dedicated to Mrs. Ralph Ovington, teacher of home economics and English.

The senior class will be guests of the junior class on a two-day boat trip to Buffalo, starting May 27. They will be accompanied by members of the school faculty.

The baccalaureate service will be held May 22. A. J. Cobbs is school principal.

The local churches will present special numbers in honor of Mother's day, Sunday.

The Lutheran church will hold their Mother and Daughter banquet Monday evening at the school auditorium at 6:30. The Baptist church will hold their Thursday evening at the same place.

The officers and committees of the Greenford High alumni met Monday evening at Fred Puttkamer's. The banquet will be served Saturday evening, June 4, at the auditorium. Officers are: President, Howard Schaeffer; vice president, Robert Williamson, and secretary and treasurer Miss Mary Sigle.

Mr. and Mrs. Clarke Wisler announce the birth of a son named Charles Jr. born at the St. Elizabeth Hospital April 26.

Rev. Mrs. W. W. Wigglesworth will conduct the Mother's day program and church service at the Baptist church Sunday. She will bring a chorus with her.

## DAMASCUS PLAY ENJOYED FRIDAY

### Capacity Crowd Sees Comedy of Senior Class Members

DAMASCUS, May 7 — The comedy, "Here Comes Patricia," given by the Senior Class of Goshen Union High school Friday evening, was witnessed by a capacity house.

## Mothers Day Party Held By Class

A lovely party was given by the women of the Berean class of the First Friends church Friday evening at the church for their mothers. It was highlighted by a fine program, presented in a spring garden setting.

Mrs. Ray L. Dean opened the program with a tribute, "To Our Mothers," after which Mrs. L. G. Pim gave a Bible reading, "A Virginal Woman." Mrs. Lawrence Votaw offered prayer.

Following a vocal solo, "That Wonderful Mother of Mine," by

Mrs. Rex Hundertmarck, Mrs. Raymond Roher, teacher of the class, gave a tribute, "To Our Mothers." Other numbers were: Reading, "Lady Are You Rich?" Mrs. Kenneth Howells; French horn solo, Jacqueline Parker; reading, "Meditation at Housecleaning Time," Mrs. Glendon McKenzie; reading, "A Pan To Lick," Mrs. Lee Heineman.

Mrs. Harold Winn played the piano for group singing. Entertainment was in the form of a "hint hunt" program and apron parade.

Winners in the apron contest were:

Most attractive, Mrs. Elmer Bartiges; most useful, Mrs. Harry Hayland; most unusual, Mrs. Charles Lantz.

These women acted as judges for the "hint hunt," which was won by Mrs. El Phillips, Mrs. Donald Roher, Mrs. Heineman, Mrs. Gordon Allen and Mrs. Pim. Mrs. McKenzie was the grand prize winner.

Mrs. Samuel Rea and Mrs. Gordon Allen presided at the attractive tea table, which was laid with a lace cloth and decked with white tapers and a floral centerpiece. Favors were rosebud nut cups.

Mrs. Leona Court, mother of the most children, was presented a floral arrangement.

Mrs. Harold Tolson, general chairman, was assisted by Mrs. Winn, Mrs. Lloyd Walker, Mrs. Russell Perrine and Mrs. William Schaeffer.

Out-of-town guests were Mrs. Votaw of Springfield; Mrs. Phillips and Mrs. Curtis Santee of East Goshen; Mrs. Frank Hoenicka of Massillon; Mrs. Bartiges of Beloit and Mrs. Court of Sebring.

Mr. and Mrs. Robert Wentz and children, Tommy and Karen, of Millford Center, formerly of Salem, will spend the Mother's day weekend with their parents, Mr. and Mrs. Arch Wentz of E. Third st. and Mr. and Mrs. Emmor Taylor of E. Seventh st.

Mrs. Russell A. Ruff and daughter, Margaret Jean, and grandson, Ralph, of Alliance, were guests Thursday of Mrs. Ralph Ritchey, S. Lincoln ave.

Mrs. Margaret Day of Youngstown visited Thursday with her cousin, Mrs. Phil Irey of E. Second st.

Mrs. Ada DeRonds has moved to N. Howard ave.

## LCBA Has Dinner Party

Rev. Fr. J. Richard Gaffney and Rev. William Appel, pastor and assistant pastor of St. Paul's Catholic church, respectively, gave talks when 60 members and guests of the Ladies Catholic Benevolent association enjoyed a Mother-Daughter dinner party Thursday evening in the K. of C. home.

Mrs. Joseph Bryan, president, gave the welcome. The group sang, "On This Day O Beautiful Mother."

Spring flowers added beauty to the tables. A Madonna on the mantel was surrounded with spring flowers.

One new member was received. The guests were interested in bingo and cards.

Committee in charge was made up of Mrs. Irene Scullion, chairman; Mrs. W. L. Vansickle, Mrs. George McConner, Miss Mae Hagan and Mrs. T. S. Layden.

Quaker Teens Plan Skating Party

Quaker Teens planned for a skating party May 16 when they met Wednesday evening at the home of Nancy Stockton on S. Union ave.

Veronica Dice was a guest of club members, who enjoyed an informal social evening and refreshments served by the hosts.

The meeting May 11 will be at the home of Mary Steffel on E. Third st.

Sons of Union Vets Plan For Dinner

Plans were made for the quarterly birthday covered dinner Thursday evening, May 19, when members of Philip Triem camp, Sons of Union Veterans, and its auxiliary met Thursday evening in G. A. R. hall. Each order had a business session.

Miss Naomi Ovington, junior student at Kent State university, is spending the weekend with her parents, Mr. and Mrs. Ralph Ovington of the Goshen Center-Duck Creek rd.

## Rebekah Degree Team To Practice Monday

The degree staff of Home lodge, Daughters of Rebekah, will practice at 7:30 p.m. Monday in L.O.O.F. hall in preparation for initiation May 20.

Mrs. Charles Bailey, a noble grand, presided at the Friday evening session of the lodge, when a membership application was received. A discussion was held concerning the purchase of new regalia in anticipation of the school of instruction in July when the Salem lodge will be host to district Rebekahs.

Gerald Gross entertained with two piano selections, "Scherzo" and "Malagueña" and Dolly Korrad played the first movement of Beethoven's sonata, "F# minor" and "The Shadow Dance."

The lunch tables were attractive with dogwood blossoms, tulips and sedum, lighted by yellow candles. Mrs. E. F. Hutcheson, Mrs. H. D. Huttenhower, Mrs. Mary Gross, Mrs. Urs Hopkins, Mrs. Homer Hilliard and Mrs. R. W. Hack formed the committee in charge.

Baptist Classes Hold Mother-Daughter Fete

Sunday school classes of the First Baptist church, taught by Mrs. James Lindsay and Mrs. Robert Eddy, sponsored a delightful Mother-Daughter party Friday evening in the Memorial building. Mrs. Eddy presided.

A parent, "Mothers of Men" with Mrs. Lindsay as narrator, was an enjoyable feature. Mothers of Jesus, Moses, Washington and Lincoln were included.

Janet Critchfield played a violin solo and a group of accordion selections was contributed by Wilma Firestone.

The oldest and youngest mothers, Mrs. Fred Jones and Mrs. Russell Snyder, respectively, were presented gifts. Presentations were made by Janet Critchfield and Georgia Allison.

Refreshments were served to approximately 75. Sprays of dogwood made the trays attractive.

Mr. and Mrs. Frank Heston of Washington ave. returned Thursday night from a 6,000 mile trip. They spent the winter in California and Arizona.

## Art Show Here Attracts Interest

"The most interest is being shown in this year's art show of any May exhibition held," says Mrs. Harold Vincent, head of the public library where the fourth annual Salem artists show opened on Sunday.

Ede said the increased number of visitors is evident as they pass the librarians' desk into the reference room which has been converted into a gallery for the showing. Both young and older Salem residents have expressed interest in the exhibition.

She points to the addition of the ceramics and sculpture pieces as one reason for growing attendance. Also on display are oils, water colors, pastels, graphic drawings and photographs.

A survey of Salem art interests is being made by the artists to determine favorite forms of expression as displayed.

The show will be open until the end of the month and may be viewed during library hours—11 a. m. to 9 p. m. during weekdays and 9 a. m. to 9 p. m. Saturdays.

Nazarene Missionary Chapters Formed

The Nazarene church has organized its members into four missionary chapters—men, women, young people and teenagers.

Officers of the Men's group are: Chairman—Lyman Miller; secretary, Charles Weaver; treasurer, Roy Shoff; superintendent of study, Grant Gorby; superintendent of publicity, James Filler.

The women's officers include: President, Mrs. E. M. Parks; vice president, Mrs. Oscar Clay; secretary, Mrs. Alfred McLaughlin; treasurer, Mrs. Lyman Miller; superintendent of study, Mrs. Roy Shoff; superintendent of publicity, Mrs. Wilda Lucas; superintendent of prayer and fasting secretary, Mrs. James Filler.

Mrs. Theodore Thorne heads the young people's group.

Jean Taylor and Wilma Anderson are secretary and treasurer, respectively.

Mrs. Harold Close is superintendent of study.

The women of the church raised \$1,100 for missions the past fiscal year, \$500 of that amount being the Easter offering. The total amount raised by the church for all purposes was \$17,000.

Mrs. Clay is chairman for the teenagers.

Class Entertained

Charleen and Paula Carlisle delightfully entertained members of the Queen Esther class of the First Friends church, taught by Mrs. L. L. McCluggage, at their home, W. State st.

Games were played. Gayle Paxson won the Bible contest.

Lunch was served by the hostesses.

## Miss Hively Honored At Shower Party

Miss Geraldine Hively was honored at a lovely party given by Miss Naomi Capel Thursday evening at her home, North Benton-Calla rd.

Gifts for Miss Hively were arranged under a pastel umbrella on the dining room table. Ribbons from the large umbrella, led to miniature umbrellas in the same tones, which were given as favors when the lunch was served.

Cootie prizes were won by Misses Martha Redman and Adda Firestone.

Guests were 16 girls from the Deming Co. office, Mrs. Walter Hively and Mrs. Charles Dalley, mother and grandmother, respectively, of the bride-to-be.

Miss Hively and Vernon Weingart will be married at 3:30 p.m. Sunday, May 15, in the Concord Presbyterian church. Custom of open wedding will be observed.

The condition of Mrs. Joseph Clark of W. Second st., who is at the Henthorne Chronic hospital, Lisbon, is improved.

Mr. and Mrs. L. S. Richards and son, Bob, of the Ellsworth rd., have returned from a vacation trip to Florida.

## Legion Seeks To Add To Sick Room Supplies

The annual American Legion campaign to secure funds with which the post purchases hospital and sick-room equipment will begin Monday, according to Commander John Herman.

Equipment on hand at the Legion home, which is available for free home use, includes four wheel chairs, hospital-type bed, fracture braces and crutches. Leroy V. Foust is in charge of loaning the sick-room equipment.

Fracture beds have been given to the City hospital and Central Clinic. The Clinic has received a Ther-Mo crib and the hospital was given an oxygen tent by the post through funds secured in past campaigns.

This year the post hopes to purchase additional hospital beds and other recuperation equipment needs.

# 49 Leetonia Seniors Have Six Events Left

LEETONIA, May 7.—Six important events remain on the High school calendar of 1948-49 activities.

The annual Recognition day assembly will be held during the week of May 16, according to Principal W. H. Allison. On that day honors will be given to the outstanding students in scholarship and attendance. The band members will be recognized during the program for their efforts during the year.

The Senior cup for the most outstanding senior of the term will be presented at the assembly. He is chosen by the faculty for leadership, scholarship and extra-curricular activities. The Student council and American Legion awards will be made.

On May 21 girls of the Y-Teen will travel to East Palestine for the annual district party-dance. Miss Lois Hanna serves as club advisor.

Attending the affair will be girls of Columbiana, Lisbon and New Waterford, besides the East Palestine hostesses. The party was held at the Leetonia High school last year.

The annual spring concert by the High school band will be presented May 18. Director Gwynne Jenkins has not announced the program.

On the morning of May 27 the 49 seniors will complete their class sessions and participate in an assembly in their honor. Those graduating will wear their caps and gowns for the occasion. Miss Florence Wilhelm, senior class advisor, will be in charge of the day's activities.

Baccalaureate ceremonies have been scheduled for May 29 in the High school auditorium. Commencement exercises will be held on June 1 in the auditorium. Principal Allison is making arrangements for an outstanding speaker.

Work On Streets  
A new asphalt tar kettle and sprayer were put into operation for the first time Friday on Leetonia streets. The street department was to work on Columbia st. this afternoon.

The equipment is mounted on a special trailer and is motor-driven. The kettle will hold 165 gallons of the repair material, according to Richard Kleinmeyer of the department. Allen Gibson and Edward Duko are assisting in the street repair work.

The kettle cost the village \$418.67 and will be used by both the street and water departments.

Collect 35 Truck Loads  
In the first four days of Clean-Up-Week, village trucks have collected 35 loads of tin cans, ashes, and rubbish. The clean-up drive got underway on Monday and will continue to May 14. Council authorized the collection in daily pickup in different sections of the village in order to rid Leetonia of the winter accumulation of trash and rubbish.

Sportsmen Take Action  
Two moves were made at the Leetonia Sportsmen's association last night when they voted to incorporate and to join the United Fish and Game club of Columbiana county. There are nine local hunting and sportsmen's clubs in the county organization, according to Orin Deffenbaugh, president.

Plans for the club's booth at the Homecoming festival early in June also were made. In charge of this project are William Harrold, Richard Shive, John Grunick, Phillip Coseno and Freeman Tyson.

A lunch was served following the business meeting at the club's lodge. Stanley Starkie and Rudy Kosjan were in charge of arrangements.

The following students from Leetonia High school took part today in the district scholarship tests at Mt. Union college.

Michael Gallo, algebra I; Ross Justice, algebra II; Carl Mix, American history; Beverly Ashman and Jean Chisholm, bookkeeping; Marilyn Santullo and Janet Miller, English 9; Martha McCormick, English 10; Esther Thell, American problems; James Campbell, world history.

From Tonight  
The annual Junior-Senior Prom, sponsored by the Junior class with members of the senior class, high school faculty and their wives and the board of education and their wives as guests, will be held at the high school building this evening.

Mothers of members of the Junior and Senior classes and the Patron Teachers association will serve the dinner at 6:30. Dancing will follow in the high school gym to Chuck Warner's orchestra. Miss Evelyn Chapman is junior class sponsor and Miss Florence L. Wilhelm, senior class sponsor.

Chorus Sings Sunday  
The Arion chorus of Youngstown, under the direction of W. Gwynne Jenkins, music supervisor at Leetonia High school, will present a musical program in St. Paul's Lutheran church at 8:15 p. m. Sunday. Mrs. L. B. Stambaugh will be the accompanist.

The program will consist of the following numbers by the chorus: "God Is a Spirit," "Lo, He Comes," "We Hurry With Tired Unfaltering Feetsteps."

# Sain And Spahn Back In Winning Stride Now

## SHOW FORM THAT WON TITLE FOR BRAVES IN 1948

### "Sain, Spahn and Rain" Is Formula Southworth Using Again In '49

By JACK HAND

Sain and Spahn, the Boston Braves' two-man pitching staff, are back in business as a winning combination.

Last year, Manager Billy Southworth's success formula was the familiar, "Sain, Spahn and Rain." It may be the same story all over again.

After a shaky start in which both Johnny Sain and Warren Spahn, his left-handed partner, failed to win their first two outings, the boys are back in stride.

Southworth is getting help from Vern Riffe, Bill Voiselle and young Johnny Antonelli but Sain and Spahn again are his old reliables. They have accounted for four of the last five Boston wins in the club's march to first place.

Spahn battered Sain's Thursday night effort with a fine four-hitter against the Cincinnati Reds last night. The 6-1 decision cemented the Braves' hold on the National League lead.

It was a great day for the left-handers in both leagues with five of the seven games going to south-paw pitchers. Johnny Schmitz of the Chicago Cubs, Monte Kennedy of the New York Giants, Bill Wright of the Chicago White Sox and Rube Bresser of the Philadelphia A's joined Spahn as successful lefties. Only right-handed winners were Ray Meyer of the Phillies and Paul Cliver of Washington.

Spahn had a shutout going until the ninth when Hank Sauer belted his third homer of the season. He struck out eight and walked only two in winning his third straight.

Johnny Schmitz' old hex on the Brooklyn Dodgers held good as he ruined their home night opening before 30,041 fans with a 4-2 Chicago win. The classy southpaw defeated the Brooks six times last season but he had a close call in the ninth inning last night.

Kennedy turned in a fine workmanlike effort against the St. Louis Cardinals as the Giants hung up their first shutout victory, 3-0. Johnny Mize helped topple Jim Hearn with a two-run homer in the sixth inning. It was his fourth of the year and second in two days.

Meyer got home against the stumbling Pirates, 4-3, in the strength of an early Phil barrage against Elmer Riddle. The Phils

## LEETONIA TRACK TEAM IS ACTIVE

LEETONIA, May 7 — The thin-clad Leetonia High school will hold their first home track meet in a decade when it meets Sebring Tuesday.

This year's team is the first to be fielded by Leetonia since moving to the new building. Andrew Mruzick serves as track coach and is developing a squad of seventh and eighth graders to provide stiff competition in coming years.

The high school team is composed of 15 lads who have had no previous experience.

In two earlier meets Columbiana downed the Bears 82½ to 30½ and East Palestine skinned the Bears 102 to 35 with events being held for both the high school and junior squads.

Carl Mix and Roy Davis of the Leetonia team have shown the most promise to date. Mix has consistently taken seconds in the mile and half-mile events. Davis and Charles McBride of Columbiana tied for first in the high jump.

The team will close the season in Salem on May 15 in the Columbiana County Class B meet.

chased Elmer with four runs in the first three innings. A double by Eddie Miller and a triple by Bill Nicholson were the big blows.

Hero of the day in the American was Bobby Shantz, the half pint rookie of the A's staff. Connie Mack sent him to Buffalo Monday and recalled him Tuesday when he found himself short staffed because of injuries. It will be a long time before he goes out again.

Shantz took over in the fourth as relief for Carl Schell. He pitched no-hit, no-run ball for nine relief innings. He allowed only two-hits in his full 10-inning stint for a 5-4 decision over Detroit in the 13th. Wally Moses' homer with a man on was the victory margin against Dizzy Trout, who replaced Hal Newhouser in the eighth.

The Yankees' victory parade was halted by an old teammate, Bill Wright, the southpaw who went to Chicago in February, 1948, in the Eddie Lopat deal.

Wright worked a seven-hitter to snap the Yanks' streak at three games. Although he hit only .082 last year, he doubled off Frank Shea with the bases loaded in the second inning to ruin Shea's first 1949 start.

Washington's slug-happy Senators, who seem to have found the secret of how to hit since they left home, outclubbed the St. Louis Browns, 8-7. It was the seventh successive loss for the Browns and the fourth straight triumph for Joe Kuhel's Senators on their first western swing.

## BUC Will Assist Graduates To Jobs

COLUMBUS, May 7 — (AP) — Ohio's employment service said today it will help June high school graduates obtain jobs.

The service, a division of the state unemployment bureau, reported it will use a new method to help graduates make the change from school to full-time employment.

BUC Administrator Frank J. Collopy said "pre-employment" record cards will be circulated among students to obtain information for job classification. This, he added, should be done while the student is still in school so job openings can be developed before graduation.

Collopy said the record cards would be filled out with complete information of the student's academic standing, vocational interests, work experience, personality traits and aptitudes.

The card information also would include the student's health, emotional stability, dependability and punctuality. The cards would be filled out with faculty assistance, he added.

Collopy said the cards would be made available to local BUC employment offices where they could be checked regularly with job openings.

School graduate personnel, the administrator reported, are responsible for aiding the student in planning his occupational future.

Mr. and Mrs. Silver have been vacationing at Sanibel island for the past three months. They left Florida yesterday by auto, on their way to Salem.

## SOFTBALL LEAGUES FORMED; 18 TEAMS TO PLAY THIS YEAR

The largest group of softball teams since 1946—a field of 18—will compete this summer in the city Class A leagues, Joe M. Kelley announced today.

Division of the bulky list into two leagues, the American and National, was made this week by the league's board of directors. Ray Reasbeck, Jim Primm and Commissioner Joe Reese.

The two leagues will alternate each week, playing on both the West End park diamond and at the Centennial diamond, after one year's idleness. No games were played there last season.

The two leagues were divided by the directors to form two evenly-balanced loops. Heading the American league is the Amvet squad, which won 28 consecutive games last year before losing two tilts in the city playoffs. Others in the circuit are the Diner, Deming, Democrats, Saxons, Sanitary, Parker Chevrolet, Swetey Ceramics and the Jaycees.

Salem China, city champs, were named to the National league. They will field the same nine that won the pennant last year. The other eight are Bliss, V.F.W., Lisbon V.F.W., Fisher News, last year's Class B champs, Mullins Electric Furnace, the Igles and C.L.O. 3516.

Play in both loops will begin Monday, May 16, Kelley said, although schedules have not yet been completed.

Those team managers who have not yet filed team rosters are asked to do so this week. That includes even those teams which are using their complete 1948 lineup again.

The first four teams finishing will play in a Shaughnessy playoff at the end of the season, with the two ultimate league winners battling for the city title.

Opportunities to buy to advantage are found daily in The News classified advertising columns.

## Amvets Host In Sunday Ball Game

The Salem Amvets baseball team will play host to the Wellsville American Legion nine at 2:30 p. m. Sunday at the Salem A. C. field.

The opening game of the year was last Sunday to the strong Borden Autos of Akron, 6-0. However, the Amvets are attempting to schedule games with the best semi-pro teams in northeastern Ohio and western Pennsylvania.

They will play at the A. C. field every Sunday.
